

SlimLine Series

Maximize Your Space

Frameworks SlimLine Series is an office front system with minimal profiles providing maximum office space. The system is ideal to fit prefabricated wall panels of 2-1/4" thickness or can be mounted to setting channels as a demountable option, making it a great fit for open plan spaces such as offices, schools and laboratories. The versatile frame will accommodate swinging or sliding aluminum stile and rail doors as well as wood door options. Customize the SlimLine Series to fit your needs with various corner posts and intermediate mullions.

Features and options:

- 1-1/2" Face profile with optional 4" at base
- Available in all standard finishes or custom colors
- Accommodates single doors up to 4'0" x 10'0", and 8'0" x 10'0" pairs
- Maximum window height of 12'0"
- Intermediate vertical and horizontal mullions
- Various corner posts
- Offset glazing channel accommodates 1/4" to 1/2" thick glass
